EVENTS, CELEBRATIONS, BIRTHDAYS, PARTIES, WEDDINGS... YES WE CAN!

One of our sweet spots at Black Tap is hosting memorable events. With throwback hits, our signature downtown New York street style, and a menu that goes beyond our award-winning burgers (5x winner of NYC best burger) and CrazyShake® milkshakes to the perfect mix of beers and killer cocktails, we definitely don't disappoint.

Each unique space is available to host any and all parties from a celebratory event, to an intimate gathering, to a corporate outing or team event. All our spaces make your guests feel like they took a trip to the authentic SoHo of the 80's, in an unforgettable experience.

We can accommodate groups in Basel (10 to 200 guests), Zürich (10 to 70 guests), Geneva (10-40 guests) and in Lausanne (10 to 40 guests). We can also tailor the packages to your needs - just contact us to info@blacktap.ch.
